

WILLIAM BRADY MCGILL (BRADY) VICE PRESIDENT OF ASSET MANAGEMENT

COMPANY EXPERIENCE

Brady is involved in the oversight of First Capital's property management portfolio and the day to day operations of these assets. He also spends a large portion of his time focused on new business development and real estate investment planning. Brady helps current and prospective owners develop strategies to add value to their investments in both the short and long term.

Brady began his real estate career 10 years ago in Central Florida. Over his career he has had diverse experience in both commercial & multifamily real estate. He initially began in site acquisition and multifamily development. That experience gave him a platform to expand to commercial real estate sales and leasing. Brady then worked several years managing a portfolio of multifamily housing communities prior to joining First Capital Property Group, Inc.

PERSONAL LIFE & INVOLVEMENT

Brady has been married to his lovely wife, Joy for eight years. Joy is an employee of the Tavistock Group in Lake Nona, FL. They currently have two children, a daughter, Amelia and a son, Liam. Aside from his professional activities, Brady is a member of Lake Baldwin Church.
