

SARA EPSTEIN, LCAM

PROPERTY MANAGER

CAREER HIGHLIGHTS

Sara joined First Capital Property Group, Inc. in 2012 where she started her career in real estate as the Senior Office Assistant. She was promoted to Assistant Property Manager in 2015 where she actively assisted in all daily functions with our Property Management department. In 2017, Sara continued to excel within the Property Management department of First Capital and was promoted to Property Manager. Her portfolio now consists of commercial office buildings and retail shopping centers.

Sara is an organized, efficient professional who oversees each property in her portfolio with keen attention to detail and focus on each client's best interest. She expertly addresses issues involving property maintenance, vendor relations and tenant communication. Sara is committed to the wellbeing of her client's assets and ensures that every property in her portfolio is very well taken care of.

RELATED EXPERIENCE

Sara contributes over 13 years of professional customer relations experience to First Capital Property Group, Inc. Following her graduation from the University of Central Florida, Sara launched her professional career working alongside the top leaders in the Executive Wealth Management Group of Raymond James. During this time, she quickly obtained her FINRA Series 7 License, registering her as a financial securities broker. Sara's substantial experience also includes extensive research in government policies and issues of the Central Florida area.

PERSONAL LIFE & INVOLVEMENT

Sara enjoys spending time with her friends and family and volunteering to different organizations in her spare time. One of her most rewarding volunteer experiences was with the Team in Training program with the Leukemia and Lymphoma society.

EDUCATION

Bachelor of Arts in Political Science - University of Central Florida
