

**MIKE PARKER**  
**SALES & LEASING ASSOCIATE**

**COMPANY EXPERIENCE**

Michael (Mike) joined First Capital Property Group in January of 2022 as a Sales & Leasing Associate teaming up with Jeré Matheny, Senior Sales and Leasing Associate. Together Jeré and Mike focus on office landlord representation and retail tenant representation with an emphasis on Value-Add market opportunities.

Mike has developed an acute understanding of commercial real estate which he brings with him to FCPG. With a focus on core downtown properties, Mike is involved within the Orlando, Tampa, and Jacksonville downtown markets. His lifelong experience with his family real estate, and over 10 years of commercial real estate licensure has provided Mike with a diverse wealth of knowledge and a unique skillset that will prove fruitful for the team and company.

**PROFESSIONAL ACCOMPLISHMENTS**

Prior to joining FCPG, Mike owned and operated several local businesses. Having transitioned the management of those businesses, Mike is able to fully focus his time on continuing his family real estate legacy. His grandfather, grandmother, and mother were involved in local real estate and he, therefore, grew up surrounded by the industry.

Mike's experience as a successful business owner and his prior Commercial Real Estate experience has both provided him with a unique set of skills and given him a foundational basis that allows him to better understand the needs from both parties involved in a deal. He successfully navigates a deal's full lifecycle to best ensure both sides end with their respective goals accomplished. This allows complex transactions to move forward more effortlessly to a successful resolution. Mike's deep history of exposure to commercial real estate is a substantial benefit to clients that he serves and the team that he assists at FCPG.

**PERSONAL LIFE & INVOLVEMENT**

Mike has been married to his college sweetheart, Danielle, for 10 years. They met while both attending the University of Florida. Danielle is a Behavioral Specialist for the Orange County Public School System and together they have two young children, Michael Jr. and Malia.

Aside from Mike's professional career, he takes pride in mentoring young adults through his previous business ventures and involvement within his church.

**EDUCATION & AFFILIATIONS**

Bachelor of Science, University of Florida 2009  
Florida Real Estate Sales Associate License, 2012
