

JOSH SPEARS
STAFF ACCOUNTANT

COMPANY EXPERIENCE

Josh joined the First Capital Accounting team in 2023 as a Staff Accountant. His specialization in mathematical trends in business processes from his Resource Economics degree translates into his attention for detail and affinity for numbers.

He began his professional career in Tech Startups in Austin Texas, where he assisted in finalizing purchasing and sales deals. At FCPG, he spearheads the management of the Accounts Payable.

PERSONAL LIFE & INVOLVEMENT

Josh spends a lot of time planning trip abroad, as he travels as much as he possibly can. His favorite place he has ever been is Thailand, where he lived for four years. The most unique place he has ever been is Myanmar (ask him about the city of 10,000 temples!).

EDUCATION & AFFILIATIONS

Bachelor of Science in Resource Economics – UF 2021
