

SAMI LEPP
ASSISTANT PROPERTY MANAGER

COMPANY EXPERIENCE

Sami began working at First Capital at the front desk part-time in 2021 and transitioned to her current role as Assistant Property Manager in 2023. She focuses on Commercial Association Management and assists with multiple Property and Medical Condo Associations, as well as various retail plazas around Greater Central Florida.

PROFESSIONAL ACCOMPLISHMENTS

Sami quickly showcased her diverse skill set and established herself as a valuable piece of the FCPG Team. This directly correlates to her promotion to the Assistant Property Manager role and is contributed to how quickly she has proven herself as an invaluable asset to the Property Management Team.

Her ability to put into practice the topics she is actively studying while finishing her Associates in Science degree continues to propel her and her team forward.

PERSONAL LIFE & INVOLVEMENT

Sami takes great joy in spending time with her family and loved ones. She usually spends time on the weekends watching television with her family (Big Bang Theory and Gilmore Girls are her go-to series), going out with loved ones, and spending time with her pets, a fluffy tuxedo cat (Patches) and a sweet dog (Twyla).

EDUCATION & AFFILIATIONS

Associates in Art: General Studies - Valencia College 2023
Associates in Science: Property Management - Valencia College 2024
