

PATRICK LEVERING
ASSISTANT PROPERTY MANAGER

COMPANY EXPERIENCE

Patrick joined FCPG in early 2024, bringing over seven years of property management expertise and a deep appreciation for the power of exceptional customer service. A Central Florida native, Patrick's strong community ties shape his approach to work and life. His time at Florida State University further honed his skills, laying a solid foundation for his career.

PROFESSIONAL ACCOMPLISHMENTS

With more than 15 years of customer service experience, Patrick has consistently prioritized client satisfaction and nurturing lasting relationships. His seamless transition into commercial property management was a natural evolution of his career, and he's thrilled to continue serving the Central Florida community through FCPG. Patrick's dedication to excellence and hands-on approach quickly earned him a reputation for reliability and professionalism, as demonstrated by his assistance in managing a portfolio of office, retail, medical and industrial properties.

PERSONAL LIFE & INVOLVEMENT

Outside of his professional life, Patrick is a devoted family man, happily married for nearly a decade and a proud father of five. In his free time, he enjoys creating cherished memories with his family at local theme parks, arcades, and parks, or during family vacations. His adventurous spirit and passion for family time mirror his energetic and optimistic outlook on life.
